RESPONSE TO OFFICE ACTION DATED 06/23/2006

This is a response to the Office Action dated June 23, 2006. A one-month extension of time is requested for this filing. A check for \$60.00 is enclosed to pay for the extension of time. If any further extension of time is required for this filing such further extension of time is requested. If any additional fee is required for this filing such additional fee may be charged to deposit account 50-1054.

The following terminal disclaimer is submitted as effective to traverse the Double Patenting rejection.

The owners Steven Robinson and Kevin Inget, of the entire interest in the instant application hereby disclaim, except as provided below, the terminal part of the statutory term of any patent granted on the instant application which would extend beyond the expiration date of the full statutory term defined in 35 U.S.C. 154 to 156 and 173, as presently shortened by any terminal disclaimer, of prior Patent No. 7,006,718. The owners hereby agree that any patent so granted on the instant application shall be enforceable only for and during such period that it and

the prior patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors or assigns.

In making the above disclaimer, the owners do not disclaim the terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 C.F.R. 1. 321, has all claims canceled by a reexamination certificate, is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

It is requested that claim 6 be amended to delete the word "an" as it reads better that way. The amendment is indicated in the LISTING OF CLAIMS.

With this submission the application appears to be in condition for allowance and a notice thereof is requested.

Respectfully submitted,

Lawrence S. Cohen
